The cocktail party is that one night of the year when all the Club get together to celebrate the success of yet another season. It is an informal night out and a night off from the kids where we parents self-indulge for a change and enjoy each other's company.

**Ticket Sales:** tickets are \$55 each and they are now available through the team managers. Please book early as we have a limited number of tickets.

**Party Format:** the night will start at 7:00pm with a complimentary drink. Cocktail party food will be served during the night and drinks are available over the bar.

**Auction Format:** given the economic climate this year, we will be focusing our fundraising efforts on silent auctions.

**Club Awards:** during the night the Club will announce the winners of the President's Trophy for services to the Club and the Geoff Roberts Memorial Trophy for coaching.

**Live Band:** this year's entertainment will be provided by Silverhair. They will ensure that everyone gets up for a dance.

***With the planning I would like to thank Sally Billes, Diane Morris, Lee Stokes and Angela Fardy for helping to organise this event. Whilst we have now started going out to local businesses collecting items for the silent auction, we would still welcome that extra help in getting around the local area and drumming up fundraising support for the Club.***

To this end, we are asking each age group if they can donate any items they can – big or small:

Age Group	Theme
Auskick & U09s	Gourmet food items & accessories
U10s & U11s	Sporting items: both male & female
U12s	Australian or gourmet beer
U13s & U14s	Gifts for the lady in your life
U15 & U16s	Bottle of wine or spirits

There will be a donation tub in the canteen for all items. If they are large please call Andrea Lawrence (0411-156-884) and to arrange collection.
