

St Ives Junior AFL Club

(Acron Oval, 1 Acron Road, ST IVES)

“Strike Me Pink” Logistics

The Mothers Day Round – 10-May-2009

Pink Sock Distribution (04-May-09 to 08-May-09)

The pink socks will be distributed (U09 - U15/16) at training on the week starting the 04-May. The socks for players not at training will be given to managers to hand out on game day.

Unfortunately, it is not possible to work this campaign for Auskick. All games at Acron Oval will be in dressed in pink socks including Manly and Forest. (Socks: S = Small, M = Medium, L = Large)

Channel Ten Coverage (Thu 07-May-09)

All players training or at Acton on the 07-May are requested to come dressed in St Ives kit and to wear the pink socks.

Tim Bailey's weather report will be broadcast live from Acron Oval on Thu 07-May. The players will receive their pink socks as they arrive at training. Other age groups are more than welcome to come down and support the Club and to see Tim Bailey doing the weather. Channel Ten will do a live cross to Acron Oval at 5:20pm for 30 seconds to summarise the weather, and again at 5:55pm for 3 to 4 minutes as they do the full weather coverage.

Mother's Day (10-May-09)

Team managers will have a money bucket/tin to collect donations at the game on Mother's Day. The buckets will be given out at training next week along with any socks yet to be collected by the players. (I also have McGrath Foundation cards to be given out.)

We will need a parent to volunteer from each team to walk around and collect money – the bucket/tin can also go around to the opposition team. The money box will be collected from team managers after the event and the donations collected will go to the McGrath Foundation.

We will also have coverage in the North Shore Times, Northside Courier, and the Living Local magazine and we are currently arranging publicity within the AFL.
